

Banking Solutions

Accounts and account services

Simplify your banking

The right banking plan can simplify your banking and save you money. No matter how large or small your business is, your accounts should make it easier to manage your banking.

Servus Credit Union offers a number of banking plans, accounts and services to meet your business banking needs.

Operating accounts

Servus Credit Union business operating accounts offer competitive interest rates and complete flexibility for your operations. You may choose to use a single account for all of your operating needs or establish multiple accounts to provide detailed records and reporting by location or purpose.

Savings accounts

Maximize returns with your excess funds until they are needed for operating requirements. Business savings accounts are designed to complement your operating accounts. They help you build your money while keeping it completely liquid and accessible.

U.S. dollar accounts

Avoid the ups and downs of the exchange rate with our U.S. chequing and savings accounts. Our accounts give you the ability to write cheques and build savings using U.S. funds. The interest and service charges are also in U.S. funds.

Benefits to your business

- The right banking plan and services can save you time and money.
 - Take advantage of numerous banking services that complement your accounts.
 - Put surplus funds to work for you.

Account services

Our business accounts are complemented by practical features to make your banking more convenient.

- Account transactions can be downloaded from our online banking service and integrated into your accounting software.
 - Cheques and supplies are available through our service provider D+H. Costs associated with these supplies are available on a quotation basis. Cheques printed "in house" or through private suppliers are subject to testing before mass printing if they have not been previously approved by Servus Credit Union.
 - Cheque fronts and backs are image-captured and archived for your future online retrieval using state-of-the-art image technology.
- Deposit only access is available on Member Card[®] debit cards. The cards can be assigned to specific accounts for the various operations. Deposits may be made through any credit union ATM machine. Night deposit service is available at most Servus branch locations.
 - Bank statements are available daily, weekly or monthly, and may be picked up at a designated branch or provided by mail. All return items are in image format.

Other banking services

Other products and services, such as wire transfers, foreign exchange, travellers cheques and safety deposit boxes, are available for your business.

Opening a business account is easy

All individuals and organizations must purchase at least one Common Share (\$1.00) when they join Servus Credit Union. This gives you all the privileges of membership and an opportunity to share in the surplus earnings of the credit union.

Start the process online at servus.ca or visit your nearest branch.
