

## Employee Solutions

### Payroll and HR services

Your employees know how to get the job done. Show them you do too. With payroll and human resources support from Servus Credit Union and our partner Ceridian you'll spend less time running your business and more time building it.

#### Payroll

Ceridian has three easy, reliable and accurate payroll systems to help you pay your people on time.

- Powerpay is a cloud-based and mobile solution for businesses with fewer than 100 employees.
- Powerpay Plus is for businesses with up to 300 employees.
- It has some added features to help you take care of the more complex needs of your larger employee base.
- Managed Payroll is an outsourced solution. Ceridian's team of certified professionals will handle all aspects of your payroll. They'll even answer your employees' questions for you.

No matter which one you choose you can rest easy knowing that your payroll is in line with the latest rules and regulations. You'll also get unlimited support from Ceridian's payroll professionals.

Think your business is too small for a payroll solution? Think again. Ceridian has options for businesses of all sizes and payrolls from the simplest to most complex. All for a price you can afford.

#### Human resources

Ceridian's human resources services give you access to expert information and advice. The same kind you'd expect to find in larger companies but without the cost. So your business can act big, even if it isn't. Their time and attendance solutions, advisory services, and work-life and wellness options can help you keep your employees happy and your business running smoothly.
