

Servus Business Mastercard

CENTRAL BILLING	VS.	INDIVIDUAL BILLING
<ul style="list-style-type: none">• One account billing statement and only require one monthly minimum payment.		<ul style="list-style-type: none">• Receive a billing statement for each sub-account and require each authorized user to make a monthly minimum payment.• Payments are made directly to authorized users cards.
<ul style="list-style-type: none">• Memo statements are available upon request for sub-account holders.		<ul style="list-style-type: none">• Perfect for companies with fewer employees or when only a few sub-accounts are needed
<ul style="list-style-type: none">• Allows for payments to be made to the control account or directly to individual sub accounts.		<ul style="list-style-type: none">• Once payment is applied to the individual sub-account number the monthly spending limit is reset and the control account spending limit is freed up for all authorized users.
<ul style="list-style-type: none">• Perfect for companies with multiple employees		
<ul style="list-style-type: none">• Control Account payment (example):<ul style="list-style-type: none">- \$30,000 credit limit.- Authorized user "1" has spent the entire \$30,000. If payment is made to control the account, user "1" still cannot spend, but Authorized User "2" and "3" can now spend.		
<ul style="list-style-type: none">• Individual Sub-Account payment (example):<ul style="list-style-type: none">- \$30,000 credit limit.- If a payment of \$30,000 is applied directly to authorized user "1's" card, user "1" can now spend again and there is room in the corporate limit for user "2" and "3" to spend.
