

Important documents you will need to apply for a Servus Business Mastercard®

Depending on your credit needs, we may review your business financial statements and results. Additionally, we'll collect your personal financial information for qualifying purposes and to determine if you are required to personally guarantee the card. We will require personal information for all directors or individuals who have ownership of the business. Once we have determined your business structure, we may require the documents listed below:

- ✓ **Corporate Documents – Declaration of Trade Name filed with Alberta Registries, Articles of Incorporation**
These documents provide information about your business, including information about who can sign on behalf of the business.
- ✓ **Notice of Assessments (Last 2 years) – Personal & Business**
You may need to provide income confirmation for yourself and your business by bringing in your Notice Of Assessment issued by the federal government after your personal and business taxes have been paid.
- ✓ **Business Financial Statements**
You may need to provide copies of the financial statements for your business in support of your Servus Mastercard Application.
- ✓ **Personal Net Worth Statement**
You may need to provide a Personal Net Worth Statement in support of your Servus Mastercard Application.
